THE UPS STORE, INC.
COMPANY PROFILE

The UPS Store, Inc., a UPS company, is the world’s largest franchisor of retail shipping, postal, printing and business service centers. The UPS Store® comprises approximately 5,000 independently owned locations in the U.S. and Canada, providing convenient and value-added business services to the small-office/home-office (SOHO) market, corporate “road warriors,” and consumers.

History

The Mail Boxes Etc. concept was introduced in 1980 as a convenient alternative to the post office. Throughout its evolution, it has continued to define and lead the business services category it created. In 2001, UPS acquired Mail Boxes Etc., Inc. In 2003, the two companies introduced The UPS Store brand. On April 7, 2003, approximately 3,000 Mail Boxes Etc. locations in the United States (at the time, nearly 90% of the domestic U.S. network) re-branded as The UPS Store and began offering lower (around 20% on average) UPS-direct shipping rates. The centers remain locally owned and operated, and continue to offer a variety of shipping, freight, postal, digital online printing, document and business services, with convenient locations and world-class service.

Growth

In the year following the re-branding, Mail Boxes Etc., Inc. sold more than 500 new The UPS Store locations in the United States – a record for the company, and phenomenal growth for a quarter-century-old franchise. Special-venue site development also has grown steadily with locations on college campuses and military bases, as well as in convention centers, hotels, and urban renewal areas/empowerment zones. Special-venue sites create an opportunity to provide services to consumers, regardless of where they live, work or travel.

In addition to its U.S. network, Mail Boxes Etc., Inc. has had a master license agreement in place for Canada since 1988. In 2005, more than 260 Mail Boxes Etc. locations in Canada re-branded as The UPS Store.

In October, 2012, Mail Boxes Etc., Inc., was officially renamed as The UPS Store, Inc., to better align with its franchised locations.

Throughout the company's historic growth, one thing has remained constant: the commitment of its franchisees to providing personalized and convenient business solutions and a world-class customer experience.

Industry Recognition

In 2019, Entrepreneur magazine’s annual “Franchise 500,” a ranking of franchise opportunities based on factors like financial strength, growth rate and size, rated The UPS Store #1 in the “Postal and Business Services” category for the 29th consecutive year* and 5th overall among the top 500 franchise opportunities in America in 2019. This is the third year in a row The UPS Store remains in the top ten ranking. Additionally, the company has a rich tradition of award-winning marketing and public relations campaigns, among other accolades.
